Preface

Part I **An Introduction to Chinese Prepared Medicines**

Chapter 1 History and Manufacture

1.1 Introduction

1.2 History and Manufacture

1.3 Quality Control

1.3.1 Drug Control Regulations Act, July **1, 1985**

1.3.2 Drug Advertisement Regulations Act, September **17, 1985**

1.3.3 Fundamentals of Chinese Prepared Medicines, **1988**

Chapter 2 Prepared Medicine Formats

2.1 Traditional Formats of Chinese Prepared Medicines

2.1.1 Pills

2.1.2 Powders

2.1.3 Pastes

2.1.4 Plasters

2.1.5 Elixirs

2.1.6 Gelatins

2.1.7 Wine or Liquors

2.1.8 Water-Based Forms

2.1.9 Distillates

2.1.10 **Teas**

2.1.11 Liniments

2.1.12 Ding

2.2 Modern Formats of Chinese Prepared Medicines

2.2.1 Tablets

2.2.2 Concentrated Pills

2.2.3 Soluble Granules

2.2.4 Syrups

2.2.5 Plural Sera

2.2.6 Adhesive Plasters

Chapter 3 Guidelines for the Administration of Prepared Medicines	21
3.1 Functions and Applications	21
3.2 Internal Administration	22
3.3 Topical Application	23
3.3.1 Topical Application of Pastes or Lotions	23
3.3.2 Topical Application of Powders	23
3.3.3 Topical Application of Plasters	24
3.4 Combining Prepared Formulae with other Herbal Medicines	25
3.4.1 Combining Prepared Formulae with Herbal Decoctions	25
3.4.2 Using Herbal Conductors (Yao Yin)	25
3.4.3 Combining Prepared Medicines	28
3.5 General Contraindications and Cautions	29
3.6 Treating Children with Prepared Medicines	30
3.7 Naming Conventions for Chinese Prepared Formulae	34

Part II

Traditional Chinese Prepared Medicines

-Source, Format and Administration,-Composition and Rationale—

1. Exogenous Pathogen Formulae	36
2. Summerheat, Summerheat-Damp, and Summertime Wind-Cold Clearing	57
3. Antitussives	69
4. Formulae for the Treatment of Bi Patterns	99
5. Portal-Opening Formulae	125
6. Wind-Dispelling, Wind-Extinguishing	135
7. Heat-Clearing, Fire-Draining Formulae	151
8. Interior-Warming Formulae	201
9. Digestate Accumulation Dispersing Formulae	205
10. Damp-Dispersing Formulae	211
11. Qi-Rectifying, Liver-Coursing	213
12. Blood-Regulating Formulae	229
13. Supplements	257
14. Heart-Nourishing, Spirit-Quieting Formulae	313
15. Astringent Formulae	331
