## **—Part I— Origins, Principles, Basic Concepts**

<b>Chapter One: Introduction</b>	<b>3</b>
<b>1.1 The Origin of Acupuncture and Moxibustion</b>	<b>3</b>
1.2 The Healing Principles of Acupuncture and Moxibustion	<b>6</b>
<b>1.3 Basic Concepts: Meridians and Acupuncture Points</b>	<b>7</b>
<i>1.3.1 Meridians</i>	
<i>1.3.2 Points</i>	
<b>Chapter Two: The Practice of Acupuncture</b>	<b>9</b>
<b>2.1 The Physiological Basis of Needle Application</b>	<b>9</b>
<b>2.2 Needles: Tools of the Trade</b>	<b>9</b>
<i>2.2.1 Needle Size</i>	<b>10</b>
<i>2.2.2 Judging the Quality of an Acupuncture Needle</i>	<b>10</b>
<b>2.3 Preliminary Considerations</b>	<b>11</b>
<i>2.3.1 Sterilization</i>	<b>11</b>
<i>2.3.2 Establishing Correct Body Position</i>	<b>12</b>
<i>2.3.3 Holding and Inserting the Needle</i>	<b>12</b>
<i>2.3.4 Areas that are Forbidden to Needle</i>	<b>13</b>
<b>2.4 Techniques for Penetrating the Skin</b>	<b>14</b>
<i>2.4.1 The Eight Methods for Penetrating the Skin</i>	<b>15</b>
<i>2.4.2 Insertion Techniques for Deep Insertion</i>	<b>16</b>
<i>2.4.3 Depth of Insertion</i>	<b>16</b>
<i>2.4.4 Bleeding Techniques</i>	<b>17</b>
<b>2.5 Painful Needle Insertion: Causes and Remedies</b>	<b>17</b>
<i>2.5.1 Needle Phobia</i>	<b>17</b>
<i>2.5.2 Improper Use of the Pressing Finger</i>	<b>17</b>
<i>2.5.3 Dull or Crooked Needles</i>	<b>17</b>

2.5.4 <i>The Fingers Used for Insertion are Weak</i>	18
2.5.5 <i>A Technique for Training the Chi to Improve Insertion Techniques</i>	18
2.5.6 <i>Additional Causes of Painful Insertion</i>	19
2.6 The Reaction of the Point: The Stimulus	19
2.7 Needle Manipulation Techniques	20
<b>Chapter Three: The Practice of Moxibustion</b>	<b>22</b>
3.1 Moxa	22
3.2 The Physiological Effects of Moxibustion	23
3.3 Direct Moxa	25
3.3.1 <i>The Shape and Size of Direct Moxa</i>	25
3.3.2 <i>Minimizing the Pain Caused by Direct Moxa</i>	26
3.3.3 <i>Areas Unsuitable for Direct Moxa</i>	27
3.3.4 <i>Precautions to Take After Applying Direct Moxa</i>	27
3.4 Indirect Moxa	27
3.4.1 <i>Indirect Moxa with Ginger</i>	27
3.4.2 <i>Indirect Moxa with Garlic</i>	28
3.4.3 <i>Indirect Moxa with Salt</i>	28
3.4.4 <i>Indirect Moxa with Chinese Herb Powder</i>	28
3.4.5 <i>Indirect Moxa with Moxa Instrument</i>	29
3.4.6 <i>Moxa Applied to the Handle of the Needle</i>	29
3.4.7 <i>Indirect Moxa with Moxa Pole</i>	29
<b>Chapter Four: The Acupuncture and Moxibustion Treatment</b>	<b>31</b>
4.1 The Correct Time for Therapy	31
4.2 The Order of Points to be Stimulated	31
4.3 Length of Treatment and Number of Points Required	32
4.4 Determining the Length and Schedule of Treatment	33
4.5 Observations During Treatment	34
4.6 Dealing with Commonly Encountered Problems During Treatment	35
4.6.1 <i>Swelling, Bleeding, and/or Pain Caused by Acupuncture Needles</i>	35
4.6.2 <i>Difficulty Removing a Needle</i>	35
4.6.3 <i>Broken Needles</i>	36
4.6.4 <i>Measures to Take When the Patient Faints</i>	36
4.6.5 <i>Treatment of an Infected Moxa Burn</i>	37

4.66 <i>Treatment of an Inflamed Moxa Scar</i>	38
4.67 <i>Liniments and Ointments</i>	38
4.7 <i>Improving Your Skill as an Acupuncturist</i>	39
<b>Chapter Five: Special Treatment Techniques</b>	<b>40</b>
5.1 <i>Selecting the Points According to the Hours</i>	40
5.2 <i>Balancing the Sympathetic Nerves</i>	41
5.3 <i>Electric Needle Therapy</i>	43
5.4 <i>Sha (Scratching) Therapy</i>	43
5.5 <i>Bleeding the Fingertips</i>	43
<b>Chapter Six: Ear Acupuncture</b>	<b>45</b>
6.1 <i>Location and Effects of Acupuncture Points on the Ear</i>	45
6.1.1 <i>Acupuncture Points on the Helix</i>	45
6.1.2 <i>Acupuncture Points on the Scapha</i>	46
6.1.3 <i>Acupuncture Points on the Antihelix</i>	46
6.1.4 <i>Acupuncture Points on the Tragus and Antitragus</i>	47
6.1.5 <i>Acupuncture Points on the Triangular Fossa</i>	48
6.1.6 <i>Acupuncture Points on the Conchae</i>	49
6.1.7 <i>Acupuncture Points on the Auricular Lobe</i>	51
6.1.8 <i>Acupuncture Points on the Back of the Ear</i>	51
6.1 <i>Ear Acupuncture Point Prescriptions</i>	<b>52</b>

## -Part II—

### Traditional Chinese Diagnosis

<b>Chapter One: Looking</b>	<b>71</b>
1.1 <i>Looking at the Face</i>	71
1.1.1 <i>Parts of the Face and Related Organs</i>	71
1.1.1 <i>Facial Color</i>	72
1.2 <i>Looking at the Eyes</i>	72
1.3 <i>Looking at the Nose</i>	73
1.4 <i>Looking at the Mouth</i>	73
1.5 <i>Looking at the Tongue</i>	<b>74</b>
1.5.1 <i>Internal-External, Overheating-Overcooling</i>	<b>74</b>
1.5.2 <i>Tongue Coatings and Meridian Relationships</i>	<b>75</b>
1.5.3 <i>Tongue Papillae</i>	<b>75</b>

1.5.4 <i>Tongue Coatings, Colors and Organ-Relationships</i>	75
<b>1.6</b> Looking at External Symptoms	76
1.7 Signs of Death	77
<b>Chapter Two: Listening</b>	79
<b>Chapter Three: Asking</b>	80
<b>3.1</b> Ask About Hot and Cold	80
<b>3.2</b> Ask About the Perspiration Flow	80
<b>3.3</b> Ask About Sensations in the Head	81
<b>3.4</b> Ask About the Urine and Feces	82
3.5 Ask About Eating and Drinking	82
<b>3.6</b> Ask about the Chest and the Upper Abdomen	82
3.7 Ask About the Lower Abdomen (Hypogastrium)	83
3.8 Ask if the Patient has Experienced Hearing Loss	83
<b>3.9</b> Ask About the Patient's Thirst	83
3.10 Ask About the Patient's Medical History	84
3.11 Ask What Precipitated the Problem	84
3.12 Ask About the Menstrual Cycle	84
<b>Chapter Four: Taking the Pulse</b>	<b>85</b>
<b>4.1</b> Locating the Pulse	<b>85</b>
4.2 An Outline of the Pulse	<b>86</b>
4.2.1 <i>The Floating Pulse</i>	<b>86</b>
4.2.2 <i>The Sinking Pulse</i>	<b>86</b>
4.2.3 <i>The Slow Pulse</i>	<b>86</b>
4.2.4 <i>The Fast Pulse</i>	<b>87</b>
4.3 The Eight Pulses as First Described by Chen Siu Yuen	<b>87</b>
4.3.1 <i>The Floating Pulse</i>	<b>87</b>
4.3.2 <i>The Sinking Pulse</i>	<b>88</b>
4.3.3 <i>The Slow Pulse</i>	<b>88</b>
4.3.4 <i>The Fast Pulse</i>	<b>89</b>
4.3.5 <i>The Fine Pulse</i>	<b>89</b>
4.3.6 <i>The Big Pulse</i>	<b>90</b>
4.3.7 <i>The Short Pulse</i>	<b>90</b>
4.3.8 <i>The Long Pulse</i>	<b>90</b>

<b>4.4</b> Some Notable Exceptions of Pulse Types	91
4.5 Non-Pathological Variations of the Pulse	91
<b>4.6</b> The Yin and Yang of the Pulse	92
4.7 Determining Potentially Fatal Conditions Through the Pulse	<b>93</b>
4.8 The Female Pulse	<b>94</b>
<b>4.9</b> The Child's Pulse	<b>95</b>
<b>4.10</b> The Seven Strange Pulses	<b>96</b>

## -Part III—

### Traditional Chinese Medical Theories

<b>Chapter One: The Origins of Disease - The Six Evils</b>	<b>99</b>
1.1 Wind	99
1.2 Cold	99
1.3 Sunstroke	99
1.4 supp	99
1.5 Dryness	92
1.6 Fire	92
 <b>Chapter Two: The Theory of the Five Elements</b>	 <b>101</b>
2.1 The Production of the Five Elements	101
2.2 Restraint of the Five Elements	102
2.3 Explanation of the Connections	102
2.4 The Five Colors	103
2.5 The Five Tastes	104
2.6 The Five Masters	105
2.7 The Five Openings	105
2.8 The Five Hidden Entities of the Organs	106
2.9 Parts of the Tongue	106
2.10 Parts of the Eyes	106
2.11 The Five Sounds	106
2.12 The Five Sick Pulses	106
2.13 The Five Dying Conditions	107

<b>2.14</b> Treating Internal Disease	
by the Five Element Correspondences	108
<b>2.15</b> A Five Element Justification	
for Organ Transplant Failures	108
<b>Chapter Three: The Theories of Yin-Yang and Chi</b>	<b>110</b>
<b>3.1</b> The Theory of Yin and Yang	110
<b>3.2</b> The Theory of Chi	110
<b>Chapter Four: Diet Therapy</b>	<b>112</b>

**-Part IV—**  
**Treatment of Specific Conditions**

117-340

**-Part V—**  
**Case Reports**

341-361

**—Index—**

362-379

# Alphabetic List of Treatments

Absence of Menstruation Through Abnormal Causes	256
Acute Bronchitis — Coughing	176
Acute Inflammation of the Cojuntiva with Catarrh — Conjunctivitis	139
Acute Inflammation of the Stomach — Vomiting	201
Acute Inflammation of the Synovial Fluid of the Knee	298
Acute Sinusitis	153
Acute Tonsillitis	168
Agalactia	253
Anal Fistula and Rectal Prolapse	227
Anemia of the Brain	121
Angina Pectoris	190
Arthritis	287
Asthma	186
Bedwetting	237
Beri-Beri	299
Bleeding of the Gums	159
Cancer of the Breasts in the Initial Stages	193
Cancer of the Uterus	263
Cancer or Tumor in the Gallbladder	212
Cancer or Tumor in the Stomach	208
Cancer or Tumor of the Pancreas	214
Carbuncle in the Throat	174
Carbuncles and Abscesses	323
Cataract	144
Chillblains	329
Cholera	314
Chronic Inflammation of the Tear Duct	141
Chronic Lack of Appetite in Children	273
Chronic Sinusitis	154
Cold Abscess	325
Common Ailments of the Hand and Arm	292
Congestion of the Brain	123
Constipation	224
Convulsions in Children	276
Corns and Warts	330
Cramp of the Penis	244
Cramping of the Uterus	260
Deafness	147

Diabetes	228
Difficulty in Childbirth — Dystocia	267
Diphtheria	172
Diseases in the Leg and Foot	296
Dropsy in the Lungs	183
Dropsy in the Scrotum — Hydrocele	248
Dysentery	222
Epilepsy (Seizures)	132
Excessive Hemorrhage After Childbirth	268
Excessive Sweating or Night Sweating	331
Exophthalmic Goiter	160
Fright or Crying at Night	272
Furuncle, Blood Poisoning and Septicmia	318
Gonorrhoea	249
Headache	117
Hemoptysis	184
Hemorrhage of the Intestine	220
Hemorrhage of the Uterus, Excess Menstrual Flow	258
Hernia	251
Inability to Open the Eyelids	142
Inflammation	317
Inflammation of the Bladder	232
Inflammation of the Caecum — Appendicitis	218
Inflammation of the Esophagus	197
Inflammation of the Intestines with Diarrhea — Enteritis	216
Inflammation of the Kidney	239
Inflammation of the Mammary Gland	192
Inflammation of the Middle Ear — Otitis Media	149
Inflammation of the Pharynx or Larynx	170
Inflammation of the Spinal Cord	240
Inflammation of the Testicles	246
Inflammation with Dropsy in the Larynx	171
Influenza	303
Insomnia	136
Intercostal Neuralgia	195
Irregular Menstruation	255
Jaundice — Hepatitis	213
Leukorrhoea	261
Lockjaw	152
Loss of Semen	242
Lymphogranuloma Inguinalis — Bubo	250

Madness or Mania	130
Malaria	301
Meningitis	282
Minor Eye Problems	146
Morning Sickness	254
Mumps	152
Neuralgia of the Intestines	215
Neurasthenia	134
Neurosis, Gastritis, or Stomach Cramps	199
Night Blindness	143
Nose Bleeding — Epistaxis	156
Numbness of the Bladder	233
Numbness of the Deltoid Muscle	290
Osteomyelitis of the Jawbone	158
Ovaritis — Inflammation of the Ovaries	266
Oversleeping	136
Palpitation of the Heart	189
Parkinson's Disease	294
Piles — Hemorrhoids	225
Piles of the Nose — Polyps	155
Pneumonia with Catarrh	178
Polio	284
Prescriptions for Children's Problems	278
Prescriptions for Digestive Disorders	334
Prescriptions for Influenza	305
Prescriptions for Women	269
Prolapse of the Uterus	265
Rheumatism in the Muscles	285
Ringing in the Ears	150
Ringing in the Ears with Severe Dizziness — Menier's Syndrome	151
Ringworm	326
Scabies	328
Sciatica	295
Severe Vomiting and Diarrhea in a Baby	280
Sleep Disorders	136
Stenosis of the Esophagus	198
Stomach Ulcer	210
Stones in the Urinary Bladder or Kidney	235
Stroke	124
Swelling of the Lymph Nodes of the Neck — Scrofula	162
Tetany in a Newborn Baby	274

The Thirteen Ghost Points	131
Toothache	157
Trigeminal Neuralgia	137
Tuberculosis in the Intestines	221
Tuberculosis of the Lungs	179
Visceroptosis — Gastroptosis	206
Vomiting Blood — Hematemesis	204
Vomiting Due to Upset Nerves of the Stomach	202
Water in the Abdomen, Dropsy — <b>Acites</b>	230
Water in the Head — Hydrocephalus	129
Withering of the Kidneys	238
Withering of the Penis — Impotency	243
